

Commission Terms of Service

By commissioning me, you have read, understood, and agreed to the terms listed below. Upon acceptance of Client commission, a more detailed contract will be sent.

- ❖ I require a minimum of one month to complete projects
- ❖ Commissions are for personal use only—commercial works will have additional fees for commercial rights
- ❖ I own all rights to the work—putting my work into an AI engine is prohibited, and any alterations made to the work are not permitted without my approval
- ❖ I retain the right to display all stages of commissions on my website and in my portfolio
- ❖ I retain the right to decline any commissions at my own discretion
- ❖ If at any point in the process I feel this arrangement is no longer professional, I retain the right to terminate the commission and impose a termination fee
- ❖ Three (3) minor revisions may be requested during the initial design process. Any additional or major revisions will have additional fees
- ❖ NO REFUNDS under any circumstances
- ❖ Listed prices are the base price and may change depending on added details and the complexity of the commission
- ❖ Traditional works will have an additional shipping fee on top of the base price. Once shipped, I am no longer responsible for the piece. If it is lost, there are no refunds, and if you want a replacement it will be treated and priced as a new commission if I accept it
- ❖ Payment via PayPal in CAD—half up front upon contract signing BEFORE I start and half upon completion of the work BEFORE final work is sent to the client. Any fees relating to currency conversion will be paid for by the Client
