- ❖ I own all rights to the work – putting my work into an AI engine or using it to train AI is prohibited, and any alterations made to the work are not permitted without my approval
- ❖ I retain the right to display all stages of commissions on my social media, website, and in my portfolio
- ❖ I retain the right to decline any commissions at my own discretion
- ❖ If at any point in the process I feel this arrangement is no longer professional, I retain the right to terminate the commission and impose a termination fee
- ❖ Two (2) minor revisions may be requested during the initial design process. Any additional or major revisions will have additional fees. Revisions will not be permitted after the final design direction is agreed upon.
- ❖ Payment in full via PayPal in CAD dollars up front is required BEFORE I start. Additional fees for shipping traditional works is required BEFORE final work is sent to the Client. Any fees relating to currency conversion will be paid for by the Client
- ❖ NO REFUNDS under any circumstances
